

## 2019 MADaboutvolleyball Camp Check-In Info: Saturday, July 6<sup>th</sup>:

- Map: <http://www.jmu.edu/map/regions/bluestone.shtml>
  1. Enter campus at the intersection of South Main Street and Bluestone Drive (right next to FedEx/Kinkos); **Hoffman Hall** will be up the hill on the right across from the statue of James Madison. If you reach the stop sign, you have gone too far.
  2. Park at “W” parking lot (behind Hoffman Hall... bottom left on the map). Please **load/unload as quickly as possible** so others can use the closest parking lot as well. It is not a big lot and we will need to get a lot of campers through.
  3. If the “W” lot is full, **load/unload** behind Logan Hall and Gifford Hall across the street.
  4. The **only locations that you can park and leave your car** are the K Lot (beside FedEx/Kinkos on Main street... it connects to Bluestone Drive at the back of the lot so you don't have to walk back up Main street) or Warsaw Avenue Parking Deck behind the Forbes Center for the Performing Arts.
- Arrive at Hoffman Hall for check in between **9:30-11:30A**. **To help control the line, we ask those campers with a last name that starts with A-M to try and come between 9:30-10:15A and those campers with a last name that starts with N-Z to try and come between 10:15-11:00A (please note that we can check you in at any time between 9:30-11:30A if that does not fit in your schedule).**
- Make sure you have the following items with you:
  - Completed Health Form (found in our Camper Information Packet)
  - Completed Liability Form (found in our Camper Information Packet)
  - 2 checks** made out to **MADaboutvolleyball** in the amounts of **\$25.00** (for room key) and **\$10.00** (for meal card). These checks will be held as deposits in the case either is lost during camp, if not, they will be shredded. Extended Day Campers only need to bring a \$10.00 check for the meal card deposit. Please have these filled out prior to getting to the front of the line.
- You will receive your room key/ meal cards, Day 1 Schedule and camp T-shirt at registration.
- Our staff will direct you to your dorm rooms to unload and change.
- Meet outside in front of **Hoffman Hall** starting at **10:00A** to walk to **Godwin Hall** as a group for Skills Testing. We will send another group every twenty minutes until **12:00P**. Skills Testing will be from 10:00–12:00P in **Godwin Hall**. Please make every effort to go to skills testing as quickly as possible.
- After Skills Testing, you will be directed to **D-Hall** where you will eat all of your meals throughout the duration of camp. Groups will be departing every 20 minutes from **Godwin Hall** to **D-Hall**, starting at 11:00A until 12:40P.

- For those campers who feel comfortable on our campus and already know how to get to **D-Hall**, you are more than welcome to go without a group as long as you are walking with at least one other camper. You are also welcome to relax in your room in **Hoffman Hall** after lunch if you finish early.
- Report back to **Godwin Hall** for our first session by **1:50P**.
