

2019 MADaboutvolleyball Camp Check-In Info for Positions Camp- Wednesday, July 10th:

- Map: <http://www.jmu.edu/map/regions/bluestone.shtml>
 1. Enter campus at the intersection of South Main Street and Bluestone Drive (right next to FedEx/Kinkos); **Hoffman Hall** will be up the hill on the right across from the statue of James Madison. If you reach the stop sign, you have gone too far.
 2. Park at “W” parking lot (behind Hoffman Hall... bottom left on the map). Please **load/unload as quickly as possible** so others can use the closest parking lot as well! It is not a big lot and we will need to get a lot of campers through.
 3. If the “W” lot is full, **load/unload** behind Logan Hall and Gifford Hall across the street.
 4. The **only locations that you can park and leave your car** are the K Lot (beside FedEx/Kinkos on Main street... it connects to Bluestone Drive at the back of the lot so you don’t have to walk back up Main street) or Warsaw Avenue Parking Deck behind the Forbes Center for the Performing Arts.
- Arrive at Hoffman Hall for check in between **9:00-10:00A**.
- Make sure you have the following items with you:
 1. Completed Health Form (found in our Camper Information Packet)
 2. Completed Liability Form (found in our Camper Information Packet)
 3. **2 checks** made out to **MADaboutvolleyball** in the amounts of **\$25.00** and **\$10.00**. These checks will be held as deposits for lost meal card or keys. If not needed, checks will be shredded. Extended Day Campers only need the \$10.00 check for a lost meal card.
- You will receive your room key/ meal cards, schedule and camp T-shirt at registration.
- Our staff will direct you to your dorm rooms to change and unpack quickly.
- All Campers must report back to **Godwin Hall** for our first session starting at **10:30A**. For those campers new to camp, we will have staff to walk you to **Godwin Hall at 10:15A** (meet in front of Hoffman Hall).

You will see the University Recreation Center (UREC) up the hill on the left once you get through the tunnel. <http://www.jmu.edu/map/regions/ridge.shtml>: This region of the map shows UREC (University Recreation Center in green), Duke Dog Alley under I-81 and Champions Parking Deck (very top, to the left of center by Newman Lake)
